

## iPad INFORMATION STUDENTS YEARS 1 – 6

Dear Parents and Guardians

As we continue with our Junior School iPad Programme, we ask that all students in Years 1 to 6 have an iPad that meets the following specifications:

- iPad - we suggest the Wi-Fi model which does not need 3/4/5G capabilities
- 32GB Storage
- Support for latest iOS version is recommended
- iPad Cover / Case (Highly recommended)
- Apple Care (Insurance and repair of the iPad remains the responsibility of the parents.)
- Screen size minimum 9.5 inch (24.6cm) diagonally to support NAPLAN

Many families already have iPads that meet the specifications listed above and there is no need to purchase new iPads. Having said this, updates are released on a regular schedule from both Apple and App creators. If the iPad can support the latest version of iOS, as it maximises the compatibility with future app updates and minimises the chance of the iPad being rendered out dated during the year.

Please visit the College Website <https://sbcl.wa.edu.au/enrol/essentials/laptop-ipad-programmes/> for a copy of this letter. You can also order online if you so choose, or make your own purchase elsewhere.

Should any families be experiencing difficulty in purchasing an iPad please contact our Director of Business, Mr Neil Grime on (08) 9290 4203 for assistance.

Please do not hesitate to contact us should you require further information about the iPad Programme.

Yours sincerely

Anne Tan  
Head of Junior School
