**ST. BRIGID'S
COLLEGE**

Dear Parents and Caregivers,

This correspondence is to provide you with a few updates:

- Firstly, it has come to our attention that our College was mistakenly identified by the media as having a COVID case. Our College has not been informed of any COVID cases, either by families, or by the Department of Health, and we suspect that the media mistook our College for a school with a similar name. Our protocol, should the situation arise, is to inform our community once the situation has been verified by the Department of Health, and we have been advised about what actions our community is required to take.
- We are currently undertaking some major work to our ICT infrastructure. Unfortunately, this has resulted in interruptions to the receiving and sending of emails, and / or phone calls on a few occasions over the past week. We regret that the work is yet to be finalised. We apologise for any inconvenience caused and kindly ask for your patience should it occur again. Staff are asked to reply to emails within two working days, and we appreciate your understanding when there is a backlog.

We are endeavouring to rectify the problems as soon as possible, but in order to resolve these issues, we need to be able to rely on the availability of several Service Providers.

With my kindest regards,

Carmen Cox
Principal
