## ST. BRIGID'S COLLEGE

Dear Parents/Guardians of Students in Year 8

Each year, we take the Year 8 students off campus for an orientation experience. In 2022, this will take place at the Teamworks Development Australia site at HBF Stadium. Students will have the chance to learn new skills and attitudes that will enable them to face the future with confidence and optimism. They will also have the opportunity to become better acquainted with fellow students and key teaching staff.

The program will be held outdoors. The activities are active without being overly physical and designed so everyone can participate. Teamworks Development Australia's philosophy of "**Challenge by Choice**" allows students to select and aspire towards their own selected level of challenge and achievement. Activities include Brain Teasing Activities, Low Ropes Course, Crate Climb and Leap of Faith which offer a wide range of confidence boosters to motivate students to stretch their comfort zones.

The excursion is an important launching point for the students' immersion into the Middle School and their learning at St Brigid's College, therefore attendance is compulsory.
